

CONFIDENTIALITY AGREEMENT

BETWEEN Eagle Innovations, a New Hampshire based LLC with headquarters in Elkins, NH (hereinafter referred to as "EI") represented by David J. Dunning, President and either A or B below (whether an individual or a company)

- A. (Name) _____, residing in _____, (State) _____
B. (Co.) _____ of _____, (State) _____
Represented by _____ (Position) _____
(Hereinafter referred to as "Inventor").

WHITNESSETH THAT:

WHEREAS, Inventor has a new product, with a US patent pending (or not yet), which *could be* commercialized by assignment or license to EI, said new product is being disclosed to EI for evaluation in confidence.

Said new product would serve the following market(s):

By performing the following function(s), in broad terms *without revealing how it would actually work*:

NOW THEREFORE, in consideration of the mutual benefits derived from said discussions or activities, the parties agree that any confidential information will be treated as follows:

- A. EI will not furnish to any third party any information pertaining to said new product idea, except to *reliable* technical associates whose input may be needed.
- B. EI will not proceed beyond preliminary market research and preliminary product design analysis and costing, without a subsequent agreement.
- C. Any forwarded designs or information, written or electronically stored, and any product models will be promptly returned to Inventor upon request, unless otherwise specified in a subsequent agreement.
- D. EI will not assume any intellectual property rights to this product or concept.

TERM: This agreement shall be in force for three (3) years from the date of signing.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as attested by their personal signatures.
